5. Restrictions on the placing on the market and use of fertiliser

Date of issue: 05.02.2026
Period of validity: 05.02.2031

Justification: The fertiliser has complied with the conditions of certification according to the provisions of Sec. 5(5) of the Act. An integral part of this certificate is the Final Protocol No. 40114/2026 according to Decree No. 245/2005 Coll. of the Ministry of Agriculture of the Slovak Republic, which establishes the details of the certification of fertilisers and the recognition of the results of laboratory and vegetation tests of fertilisers, and the approved label or leaflet of the AQUAHOLDER HYDRO fertiliser.

Instruction: An appeal against this decision may be lodged pursuant to Sec. 68 (2), Sec. 53 and 54 of the Code of Administrative Procedure, to the Central Control and Testing Institute in Agriculture based in Bratislava, Matúškova 21, 833 16 Bratislava, within 15 days from the date of its delivery. The appeal may also be submitted to the electronic mailbox of the Control Institute pursuant to Act No. 305/2013 Coll. on the electronic form of exercising the powers of public authorities and on amending and supplementing certain acts (Act on e-Government), as amended. According to Sec. 47(4) of the Code of Administrative Procedure, the decision is reviewable by a court only after a proper remedy (appeal) has been exhausted.
